### Instructions:

Typically, this form is completed when the supervisor, doctoral committee members, and student consider the comprehensive portfolio ready for examination. The supervisor will complete the form on the behalf of, and in consultation with, the doctoral committee and the student.

The external examiner is a designated faculty member from one of the participating universities who is situated in the student's field of study (FOS). The external examiner may be a designated faculty member at the student's home university and is at arms-length from the student (e.g., not a current or former research partner/research assistant, teaching assistant, instructor, or personal acquaintance).

In most instances, the doctoral committee will agree on the readiness of the comprehensive portfolio with respect to proceeding to examination. In rare instances when there is a difference of opinion about the readiness of the comprehensive portfolio for the oral examination, students, supervisors, and committee members may consult the Associate Dean, Graduate Program Director, or Chair of Graduate Studies. The majority of the doctoral committee (3-out-of-4 or 4-out-of-5) must agree about the readiness of the comprehensive portfolio in order to proceed to examination. A member of the doctoral committee who holds an alternative or dissenting opinion is encouraged to submit a minority report.
